

PARENTS INFO SESSION

30 September 2017 . Saturday . 10am - 1pm

@ Sunway City Campus

Come discover how the Canadian education system, ranked as one of the top in the world*, provides opportunities for your child to grow in an internationally engaging and nurturing environment.

☘ Learn how the Canadian education system is being delivered in SIS and experience the classroom yourself.

☘ Find out more about the Canadian Ontario Secondary School Diploma (OSSD) from our Principal, and explore opportunities for university applications to the USA, UK, and Australia.

☘ Chat with our Principal, and Canadian certified teachers.

☘ Speak with representatives from Sunway College and University, Monash University Malaysia Campus, and our University Placement Office on tertiary studies locally and abroad.

*The Canadian School Curriculum is consistently ranked top amongst education systems in English-speaking countries for reading, mathematics and science. (Source: OECD PISA, 2015)

PANELLISTS' PROFILES

Bill Ironside - Principal, Sunway International School

Mr. Bill Ironside is the Canadian Principal of Sunway International School, and the Director of the Canadian International Matriculation Programme for Sunway College. Bill has 30 years of Canadian educational experience, having served as a classroom and student services teacher/chairperson for 15 years, a Programme Consultant for an Ontario Board of Education, a Vice Principal and Principal in Ontario and China. Bill holds a Bachelor of Environmental Studies from the University of Waterloo, Ontario and a Bachelor of Education from Laurentian University, Ontario with additional qualifications in Guidance, Library, Special Education, Religion, and Educational Leadership.

Doreen John - Head of Partnerships and Students Engagement, Center of American Education, Sunway University

Ms. Doreen John is in charge of developing partnerships between Sunway University and other universities, primarily for the American Degree Transfer Program in the Centre for American Education at Sunway. Ms. Doreen also does academic advising for students to formulate their study plan and prepare for transfer for degree completion. Prior to working at Sunway University, Doreen was the Country Coordinator and Director for EducationUSA in Malaysia. She completed her Bachelor's and Master's Degrees at the University of Wisconsin-Madison in the USA.

Jennifer Wan - Head of Education Services, British Council

Ms. Jennifer Wan obtained her Bachelor Degree from Leeds Beckett University and her MBA from University of Leicester. Jennifer has more than 10 years of working experience in the international education sector, supporting international engagement strategies for international education and training providers, and in Australian and UK government agencies and universities. Prior joining British Council, Jennifer was the Education Manager at the Australia Trade Commissions. Jennifer will share her expertise with parents and student looking to obtain more insight into studying in UK.

Aileen Lam - Manager of International Office University Placement, Sunway Education Group

Ms. Aileen Lam's roles at the International Office University Placement, Sunway Education Group is to build strong ties and develop potential collaborations with universities not only from Australia, but also with the recognised universities around the world. Being successfully serving the international education industry for more than 10 years, an Australian and graduated from La Trobe University, Melbourne, Australia, Aileen's unique background has given her great advantage and knowledge in counseling and placing students for further study abroad.

Edmund Chung - Student, Sunway International School (Moderator)

Mr. Edmund Chung Sim Wea is a Grade 11 student in the Ontario Secondary School Diploma at SIS. Prior to his secondary education in Sunway, Edmund Chung did his primary school in the United Arab Emirates, under the British curriculum. Edmund Chung is active in extracurriculars, representing the school in both regional and international conferences as the president of Model United Nations Club. He is also a tutor for French, and practices Taekwondo with a black belt. Edmund Chung was a Harvard Teaching Assistant in the Asia Leadership Youth Camp in 2017. He aspires to become a clinical psychologist in the future, to study human behavior and help individuals with mental illnesses.
